**BUILDERS WITHOUT BORDERS
OF TEXAS**

HELPING PEOPLE TO HELP THEMSELVES

All proceeds benefit Builders Without Borders of Texas, a 501(c)3, non-profit organization dedicated to providing housing, education, and medical services to disadvantaged people locally and around the world.

Meet Daniel, Mario, Arnulfo, and Xavier. These young men are from a poor fishing village in Mexico. Before BWBT became involved, there was very little chance that they would have the opportunity for an education beyond eighth grade. Due to the generosity of BWBT supporters, these young men are now receiving a college education.

This is our dream... Our current local project, when completed, will be home to many abused, lost and forgotten women and children right here in Brazoria and Harris Counties.
